SUMMARY OF THE SEPT. 8 MEETING

President Jack Yancick was out of town so the meeting was short (and rather dull as we missed Jack's humor). We had 31 members and 2 guests present. The holiday lunch was discussed and the class schedule for next year was reviewed. Our friend Jerry Berg has opened his long-awaited carving museum in Pima AZ (near Safford). Four members participated in our "show & tell".

October 13 = **FOUNDERS DAY** when we salute those who worked hard to form our club.

Carving class taught by Jack Yancick – **PUMPKIN CARVING** (so bring your own pumpkin, a paring knife or vegetable peeler and old carving knives).

Next meeting: October 13

Respectfully submitted,
Marie Roberts
